

Fares Djefafia

Full stack web developer and (UX / UI)
with info security

If you see this ..

It means that the design, product or code on the previous page is protected by copyright.

- You cannot reuse or transfer anything without contacting me.
- You cannot re-use it for commercial or profit purposes.
- You may find some things open source, and this does not mean that they can be used freely.

I support all content for the sake of learning, but in the framework of transparency between us

Thanks ..
